## LeafFilter® Gutter Protection

LeafFilter Gutter Protection, led by Matt Kaulig, made its big break into the NASCAR scene in 2014, when the company first sponsored a car in the Monster Energy NASCAR Cup Series. In the years following, Kaulig worked to build a strong, foundational relationship within the sport.

In 2015, LeafFilter began part-time sponsorship of a NASCAR Xfinity Series car with TriStar Motorsports. Then in 2016, Kaulig decided to move full steam ahead, and formed a brand new team – Kaulig Racing. With Kaulig at the helm of both LeafFilter and Kaulig Racing, LeafFilter naturally stepped in as the primary sponsor of the team's No. 11 Chevrolet Camaro in the Xfinity Series, and continued its sponsorship through the 2017 season.

The 2018 season was a strong season for Kaulig Racing with 11 top-10 finishes and 1 top-5 finish. Kaulig Racing built off that momentum in 2019 with Justin Haley as the primary driver, earning the team their best season to date. Haley earned Kaulig Racing their best finishes at 12 different tracks on the circuit.

LeafFilter Gutter Protection will return to Kaulig Racing's No. 11 Chevrolet for the fifth year, since the team's inception, for the 2020 season. With that, LeafFilter Gutter Protection is now considered to be one of the longest running sponsors in the NASCAR Xfinity Series.

Justin Haley has ascended to the top of the motorsports ladder in just a few short years. Haley burst onto the NASCAR scene in 2014 by competing in the NASCAR K&N Pro Series.

In 2016, Haley recorded his first-ever NASCAR championship, at the age of 17, by earning the NASCAR K&N Pro Series title. He would then go on to announce that he would be competing full time in the NASCAR Camping World Truck Series (NCWTS) in 2017.

During his rookie season in the NCWTS, Haley recorded one pole award, three top fives and 12 top-10 finishes.

2018 was coined a record year for the sophomore driver in the NCWTS. Haley secured his first-ever playoff berth and recorded three wins, nine top fives and 18 top-10 finishes; the next level was on the horizon. In his rookie NASCAR Xfinity Series (NXS) season, Haley broke records for Kaulig Racing, by earning four top fives and 20 top-10 finishes. He also secured himself a spot in the 2019 NXS Playoffs.

Continuing with his stellar 2019 rookie season, Haley found himself in Victory Lane in his first-ever NASCAR Cup Series (NCS) race at Daytona International Speedway in July. The rain shortened race gave Haley a place in the NASCAR history books.

In 2020, Haley earned his first NXS victory with a win at Talladega Superspeedway, making him one of only 32 drivers in NASCAR history to have won at least one race in all three NASCAR national series.

Haley continued an historic season for both himself and Kaulig Racing, as he earned a spot in the Championship 4 race at Phoenix Raceway, ultimately finishing third in points in the 2020 NXS season.
